

# Desecration

Semetary

Aaaaaahhhhh

Desecration, desecration

Desecration, desecration

We gon' bury you behind the church

Leave your body in hallowed turf

We gon' scatter you across the earth

Boy, we here to do the devil's work

Desecration, desecration

Desecration, desecration

Desecration, desecration

Desecration, desecration

Big stick walking tall, stomp you in your head

Cleavers up, no open casket

Cut his face off, no tourniquet

Guillotine dog in True Religion

Grave dancing, we don't got respect

Baseball bat and a crucifix

Skinwalker dance, spin, spin, spin

How many spins can I do?

You've made your bed, now lie in it

You tried the Grave Man, now you lie in one

Ghost Mountain got the blunderbuss

We ain't give no motherfuck

Got shovels, doing devil's work

Dressed all up in Affliction

Haunted Mound boys makes dirges

Drag bodies on the Rainbow Bridge

We gon' bury you behind the church

Leave your body in hallowed turf

We gon' scatter you across the earth

Boy, we here to do the devil's work

Desecration, desecration

Desecration, desecration

Desecration, desecration

Desecration, desecration

Swear to me, necromancy

Yeah, I got that fucking cutter handy, it relax me

Candle light, fuck the real life

Lying lake side with my Baby Firefly

Follow me down, get on my murder ride

Cremate the rest, chicken fork and knife

Marrow within, Doctor Satan shit

Real black metal, bitch, you done found him

We gon' bury you behind the church

Leave your body in hallowed turf

We gon' scatter you across the earth

Boy, we here to do the devil's work

Desecration, desecration

Desecration, desecration

Desecration, desecration

Desecration, desecration

- Hoss, I want you to pray to your God. I want you to pray that he comes to save you. I want lightning to come down and crash upon my fuckin' head! (Aaa hhhhhh)

- I pray... Jesus...

- Louder!

I'm on the Rainbow Bridge

- Bless the bunnies, bless the little birds...

- I don't feel anything (Ahhhh)

- Bless the springtime morning (Haugh)

- I feel it!

- Oh, Great God Almighty, I repent, I repent! I feel the love of the God-God-God Almighty! Oh, the Holy Spirit is in my body!

I am the devil, and I am here to do the devil's work
