Sematary

Leave you down, down, down in forever box  
Left 'em down, down, pushin' up forget-me-nots  
Break you down, down, down, now you're rottin'  
In that wood coffin, gone and forgotten  
Leave you down, down, down in forever box  
Left 'em down, down, pushin' up forget-me-nots  
And they cry, cry, cry 'cause they all alone  
All down, down, down in forever box

Leave you down, down, down in forever box  
Left 'em down, down, pushin' up forget-me-nots  
Break you down, down, down, now you're rotting  
In that wood coffin, gone and forgotten  
Leave you down, down, down in forever box  
Left 'em down, down, pushin' up forget-me-nots  
And they cry, cry, cry 'cause they all alone  
All down, down, down in forever box

Sematary Grave Man dig a shallow grave  
Left him on the roadside, never lookin' back  
I'm a fucking warboy with a silver blade  
Thousand miles an hour, hanging opps off the back  
No slumber room, I got lighter fluid  
And some hammers and some Fanta and some boxcutters  
Seven hundred coffins in a mausoleum  
Turn a cop to ash, I'm a apparition  
I got the motherfucking swag of a God  
Warboy fillin' coffins, ain't shit gonna change

Leave you down, down, down in forever box  
Left 'em down, down, pushin' up forget-me-nots  
Break you down, down, down, now you're rotting  
In that wood coffin, gone and forgotten  
Leave you down, down, down in forever box  
Left 'em down, down, pushin' up forget-me-nots  
And they cry, cry, cry 'cause they all alone  
All down, down, down in forever box

Can't get out, I'm down so deep  
Took all 'em Oxys just to tweak  
Its been like 6 weeks, and I don't think I need to sleep  
And I'm still not feeling it, needing it, I'm fiending shit  
Drugs stopped working, so I gotta take double  
I'm so done with the struggle  
Oxys, I'ma pop a couple  
And I got Dilaudid all crumbled  
Jus need to ease all my troubles  
Move a few pounds out the duffel  
All these pills I'ma juggle, across the border I smuggle  
And I can't even think anymore, like what was the point?  
What was it for?  
I wanna be dumb, numb, need more  
Drugs on me, check my score  
I said I don't do it anymore  
But I always keep extra, yeah  
Keep an extra in the drawer

Leave you down, down, down in forever box  
Left 'em down, down, pushin' up forget-me-nots  
Break you down, down, down, now you're rotting  
In that wood coffin, gone and forgotten  
Leave you down, down, down in forever box  
Left 'em down, down, pushin' up forget-me-nots  
And they cry, cry, cry 'cause they all alone  
All down, down, down in forever box
