

## Forever Intro

Sematary

Yeah  
I'm on the Rainbow Bridge  
Forever, forever, forever  
Yeah

Forever, forever  
You know we gon' do this shit 'bout forever  
Forever, forever  
I'm gonna bury you alive down under  
Forever, forever  
I'm on the Rainbow Bridge forever  
Forever, forever  
Forever, forever

I'm a dumb fucking idiot  
I screwed up, I'm in dog heaven  
Pull up like I'm Trevor Phillips  
Bloodstains all on my True Religion  
Real black metal, don't play with us  
You know we do that desecration  
All I see is dead bodies  
'Cause you know I been hearse whipping  
I seen a rainbow in the parking lot  
And I seen my best friend in the graveyard  
Cutter all on your pretty skin  
You know I got them scissor hands  
Follow my dreams, get a life sentence  
Fuck the world, I'm the Grave Man  
Don't accept this world, I don't live in it  
You can find me on the Rainbow Bridge

Forever, forever  
You know we gon' do this shit 'bout forever  
Forever, forever  
I'm gonna bury you alive down under  
Forever, forever  
I'm on the Rainbow Bridge forever  
Forever, forever  
Forever, forever

Michael!  
Aw, fuck, I thought I was with one Judas!  
I'm surrounded by them!  
You fake motherfuckers, you wanna piece of me?  
Fucking come get me!  
You wanna kill me? Taking a fucking shot!
