Ha, ha  
Yeah  
Funeral, funeral (Ahh)

Funeral, funeral  
We'll be laughin', we'll be dancing at your funeral

Goofy boy, we'll be flexing at your funeral  
Funeral, funeral  
We'll be dancin', we'll be happy at your funeral  
Funeral, funeral  
We gon' piss all on your grave at your funeral

Watch a hundred million roses burn in the fall  
If you wanna fuck with us, we gon' dig a plot  
Goodbye horses, we set fire to your whole farm  
Grave Man, put you down in the forever box  
We got Scream masks and trench knives and Adderall  
I'll stomp a mother fucking cop in my New Rocks  
Killed a bunch of dirty cops and I got 30 stars  
I'll have a hundred thousand angels at my funeral

Funeral, funeral  
We'll be laughin', we'll be dancing at your funeral  
Funeral, funeral  
Goofy boy, we'll be flexing at your funeral  
Funeral, funeral  
We'll be dancin', we'll be happy at your funeral  
Funeral, funeral  
We gon' piss all on your grave at your funeral

Funeral, I'ma bury you alive  
Fuck it, call the school, go and tell 'em that I died  
Candles at your box, see you on the other side  
Haunted Mound boys in the hellfire  
No time, bumpin' devil shit  
Me and bro doing speed across the casket  
Green grass, dead flowers with your portrait  
Funerary trap mansion in the forest

Funeral, funeral  
We'll be laughin', we'll be dancing at your funeral  
Funeral, funeral  
Goofy boy, we'll be flexing at your funeral  
Funeral, funeral  
We'll be dancin', we'll be happy at your funeral  
Funeral, funeral  
We gon' piss all on your grave at your funeral
