Sematary

Hi, my name is Sematary  
And I like gettin' high  
Grave Man  
Yeah

Hi, my name is Sematary, and I like gettin' high  
I like ridin' hearse trucks, speedin' through the night  
Hi, my name is Grave Man, and I say "Fuck Life"  
I just wanna turn up and watch the headlights  
You'll never be us, but I guess you can try  
You can be my Haunted girl if you like my Haunted guys  
Rock my hockey mask, but I still smile  
World is on fire, but I'ma still try  
I don't wanna look back, I just wanna drive  
I need a cigarette and I just need to die  
I feel like a deer lost in the headlights  
Every single day of my motherfuckin' life

In the night time, only time I feel alive  
I been gettin' high, I been waiting 'round to die  
All-All-All I see is headlights  
All I see in the night is them bright headlights  
In the night time, only time I feel alive  
I been gettin' high, I been waiting 'round to die  
Give a fuck 'bout moonlight  
All I wanna see is them bright headlights  
In the night time, only time I feel alive  
I been gettin' high, I been waiting 'round to die  
All I see is headlights  
All I see in the night is them bright headlights  
In the night time, only time I feel alive  
I been gettin' high, I been waiting 'round to die  
Give a fuck 'bout moonlight  
All I wanna see is them bright headlights

Yeah, I know you feel what I'm sayin' right now, man  
Why you wanna die?  
If you wanna die, then go ahead and die  
Trues hang off my ass, man, 'cause I don't give a fuck  
I'm forever young, I want be forever dumb  
I-I don't need drugs, 'cause, bitch, I'm high on drugs  
And I don't need your love 'cause, bitch, I'm high on drugs  
Blood from her eyes shining like my bloody watch  
Blood red Louis bag, fill it up with guns  
It's all blurred out, fucked up, can't see none  
Except the headlights from the Jeeper Creeper truck

In the night time, only time I feel alive  
I been gettin' high, I been waiting 'round to die  
All-All-All I see is headlights  
All I see in the night is them bright headlights  
In the night time, only time I feel alive  
I been gettin' high, I been waiting 'round to die  
Give a fuck 'bout moonlight  
All I wanna see is them bright headlights  
In the night time, only time I feel alive  
I been gettin' high, I been waiting 'round to die

All I see is headlights  
All I see in the night is them bright headlights  
In the night time, only time I feel alive  
I been gettin' high, I been waiting 'round to die  
Give a fuck 'bout moonlight  
All I wanna see is them bright headlights
