Aaaaaahhhhhh

Keep on honking, bitch, I'm reloading
Driving fast, they ain't never get me
Motherfucker, get down on your knees
Just bought a gun so I can kill police
Keep on honking, bitch, I'm reloading
I got so much blood all on me
Motherfucker, get down on your knees
Everybody tryna play with me

Haunted Mound, we don't do no sleep
Time pass, it don't heal nothing
I got my knives up, you're hurting me
Sematary, I been up for weeks
Shoot me dead and fuck my goddamn corpse
Burn the house down, let it all burn
Up all night, yeah, my whole room hurts
I got some boxcutters, I'mma make it hurt
I be swerving in that motherfuckin' hearse
If he try me, I'ma put him in the earth
Come around, we them dirty cutters
Yeah, you're fucking with some cop killers

Keep on honking, bitch, I'm reloading
Driving fast, they ain't never get me
Motherfucker, get down on your knees
Just bought a gun so I can kill police
Keep on honking, bitch, I'm reloading
I got so much blood all on me
Motherfucker, get down on your knees
Everybody tryna play with me
