My knife was so lonely I bought her a friend  
Dug ten graves for ten men that all tried me  
Witness me fuckin' bust your damn skull in  
I saw a white horse with an engine  
Pooh bear on the truck, yeah, I talk to him  
Bury you behind the church by the river  
Fuck with me, leave you on the Rainbow Bridge  
Murder ride go skrt, skrt, skrt, skrt  
Let's stay up all damn night 'til the birds chirp  
I'ma crucify your hot bitch up on a cross  
Road warrior, fuck the world, I ain't dyin' soft

Stuffies on my truck, stuffies on my truck  
Buried in the Haunted Mound where you left your dead dog  
Smokin' out my lungs, ride in my dragula  
Girl, I know you'd look so good with your pretty skin off  
What a lovely day, what a lovely day  
Woke up this fine mornin' all covered in blood  
I don't care 'bout no tomorrow 'cause I know there ain't one  
Ridin' through this burnin' earth in my fuckin' murder truck  
Yeah, to the break of dawn, baby  
I be ridin' hard, shawty

On the Rainbow Bridge, baby  
In my murder ride
