Sematary

Yeah
I got saran wrap
I'm the tooth taker
You'll be mine fore-ever
You will decompose down un-under
I got Saran wrap
So you had best act frien-endly
You'll be mine fore-ever
You will decompose down un-under

You'll be mine fore-ever
You will decompose down un-under
I got saran wrap
So you had best act frien-endly
You'll be mine fore-ever

I shall never hear your sweet chirrup more, alas

Lamps are staring at me, it's time for some violence
Shawty, why'd you paint your teeth?
We gon' leave you in the trees
This life has no meaning
Dying in Poughkeepsie
RedBull gives me wings
Robin Jeans, I got wings
Your boyfriend, we took his teeth
Now he got them angel wings (Ah)

I'm on the Rainbow Bridge
