

Purified

Semblant

Sinner or saint?
What difference does it make
when you realize there's no heaven
We're all waiting to be saved
We're all looking for redemption
From the wrongs we've done

Sinner or saint?
A sacrifice in vain for your salvation (from damnation)
We're all waiting to be saved
We're all seeking for atonement
For the sins we've made
(For the sins we've made)

Living through pain
Will it ever be forgiven?
Is it in vain?
Will it ever be forgiven?
It falls apart
My purified heart

Living through pain
Will it ever be forgiven?
Is it in vain?
Will it ever be forgiven?
It falls apart
My purified heart

Sinner or saint?
What difference does it make
when you see the light, but no angels
We're all waiting to be saved
We're all hoping for forgiveness
From the wrongs we've done
(From the wrongs we've done)

Will it ever be forgiven?
Is it in vain?
Will it ever be forgiven?
It falls apart
My purified heart
