Wallachia

Semblant

The nature spawned
Whispering trees
Conspiring to curse
The rites of Spring

Obscured Aurora conjures the past
Celestial Sun forecast

The elder speaks no tales
Bonfires light their flames
The howling lycanthrope
Cries for the Death of Love

Obscured Aurora conjures the past
Celestial Sun forecast

Kings and Queens
Hear the Dragon within
And praise the great vast forest
Mountains surrounding
Majestic old towers
Wallachia

Lament of Innocence
The Lords of Shadow will rise
Wurdulak Wurdulak Wurdulak Wallachia
Wurdulak Wurdulak Wurdulak Wallachia

Kings and Queens
Hear the Dragon within
And praise the great vast forest
Mountains surrounding
Majestic old towers
Wallachia

Kings and Queens
Hear the Dragon within
And praise the great vast forest
Mountains surrounding
Majestic old towers
Wallachia
