

Only Empathy

Semisonic

I don't know what it's like to be you
But I feel you
And wherever you are, I see you
Mm, yes I do
But when you're holding back an ocean
Overflowing

I just wanna crawl inside your heart
I just wanna walk a mile with you
I've got almost nothing that you need
All I've got to give is empathy

You try fixing things with your hands
And God laughs
Sometimes your love is like a forest
Fire burning
The world's a billion trees crying
You can hear them

I just wanna crawl inside your heart
I just wanna walk a mile with you
I've got almost nothing that you need
All I've got to give is empathy
Only empathy, only empathy, only empathy

All I have for you, all you have for me
Makes me part of you, makes you part of me

I just wanna crawl inside your heart (crawl inside your heart)
I just wanna walk a mile with you (wanna walk a mile with you)
I've got almost nothing that you need
All I've got to give is empathy
All my empathy, all my empathy, all my empathy
All my empathy, all my empathy, all my empathy
