1. Got your tape and it changet my mind

H

Heart your voice in between the lines

C#mi

Come around from another time

A

Where nobody ever goes

All alone on the overpass

Wired and phoned to a heart of glass

Now I'm falling in love too fast

With you or the songs you chose

2. I've been living in your cassette

It's the modern equivalent

Singing up to a Capulet

On a balkony in your mind

In the City the lion sleeps

Play to Sony my soul to keep

Were you ever so bright and sweet

Did you ever look so nice

X: And all the sounds, Dream for me

Ooooo Ooooo

R: I can hear you sing it to me in my sleep

I can hear you sing it to me in my sleep

I can hear you sing it to me in my sleep

I can hear you sing it to me in my sleep
