D A  
1. Thursday's crush is a Friday night rush  
Emi G  
And a Monday morning cry  
A G  
It's the tail that you keep chasing  
A G  
And it gets away every time

New Years Eve and it's hard to believe  
Another Zodiac's gone around  
While you drank yourself high on hoping  
And watched the ceiling spin from the ground

F#  
R: Counting down from ten it's time  
Hmi  
To make your annual prayer  
F#  
Secret Santa in the sky  
Hmi E  
When will I get my share  
Emi  
Then you tell yourself  
D A  
What you want to hear  
E Emi  
Cause you have to believe  
G A D A Emi  
This will be my year

2. Pound your fist and cross it off your list  
But you know you're not that strong  
When the man at the stop light catches you  
Singing along to a brand new song  
Well maybe it's

Trash or the overnight smash that brings a  
Ship crashing through your wall  
So you can make your grand departure  
From a world getting way too small

F#  
R: One wheel in the ditch another  
Hmi  
Spinning in the air  
F#  
Put your pedal down to the floorboards but you're not  
Hmi E
