back then we wished that we were older waiting for the summer everything was new, when everything was fun she would come over and slip into the water i wonder if she knew that she was the one, everybody wanted, every night she haunted us in our dreams then you wake up all a lone all's fair in love and war, til it feels like you're dying alon Tears turn to waterfalls but I I'd taste tears over nothing at all now, we wish that we were younger that feeling of the hunger, to want to try everything and anyth ing we want frustration and the anger, never thinking of the danger or how we'd make it through never thinking someone won't all's fair in love and war, til it feels like you're dying alon tears turn to waterfalls but I'd taste tears over nothing at al 1 the fun never ends fun never ends, the fun never ends til you bury a friend, til you bury a friend, til you bury a fr iend now, we wish that we were younger that feeling of the hunger, to want to try everything and anyth ing we want frustration and the anger, never thinking of the danger, or how we'd make it through never thinking someone won't all's fair in love and war, til it feels like you're dying alon tears turn to waterfalls but I'd taste tears over nothing at al 1

fun never ends ... fun never ends ... fun never ends til you bury a friend, bury a friend, bury a friend til you bury a friend, bury a friend, bury a friend bury a friend, bury a friend
