Broken

Sentenced

I have come a long way where I started from, but I'm still not even close to where I'm going

I can no longer see the shine that has been lighting up my way, I cannot feel its glowing

The fire in my heart is dying, and the zeal I had is gone

This path that I've chosen's a rocky one, long, hard and frozen it has become

Each turn that I've taken on the way has only led me back to He ll

I am dying down growing weaker now, it could seem that I'm doin g fine

But I'm broken to little pieces deep inside

Why did I ever choose to go this way, the question I keep askin q myself all the time

I guess it was my instinct for self-destruction that pointed me down, down this way

The fire in my eyes is dying, and the dream I had is gone

This path that I've chosen's a rocky one, long, hard and frozen it has become

Each turn that I've taken on the way has only led me back to He ll

I am dying down growing weaker now, it could seem that I'm doin g fine

But I'm broken to little pieces deep inside

This path that I've chosen's a rocky one, long, hard and frozen it has become

Each turn that I've taken on the way has only led me back to He

I am dying down growing weaker now, it could seem that I'm doin ${\bf g}$ fine

But I'm broken to little pieces deep...

I'm broken to little pieces deep...

I'm broken to little pieces deep inside
