Nananananana nananananana
Bad love is true
Nananananana nananananana
Nananananana nananananana

With you thick scent
You're hiding someone else's traces
As you calmly smile, late at night, you call me again
You tell me goodnight, poorly acting

Pretending not to know, pretending
You keep lying to me

My love is true, my love is you
Your red-hot lies
I know them all
Bad love is true, bad love is you
Get away from me
Don't shake me up

Nananananana nananananana
Nananananana nananananana

Your red lips tell me
It's only you, believe me
But your eyes are shaking
Your cooled love
Is lying to me till the end

You always pretended to be cool, pretended to be good
You keep lying to me

My love is true, my love is you
Your red-hot lies
I know them all

Bad love is true, bad love is you
Get away from me
Don't shake me up

My love is true
You said those words so easily
My love is you
Your love ripped up my heart
Yeah yeah yeah yeah

Nananananana nanananana

My love is true, my love is you
Your red-hot bad words
I don't wanna hear them anymore
Bad love is true, bad love is you
Please go away
Don't hold onto me

Nananananana nananananana
Nananananana nanananana
Bad love is true
