0000 Hello

From easy morning
Until I fall asleep again
As if going in and out of dreams
I'm meeting you, I'm meeting you (secretly)

Everything is so new
When I look at you

I already forget
What to say next

Your eyes, your face
Your scent, the way you talk
It's all so lovable
You make me smile

Just being
With you, romance
Makes my heart burst
Each second is too precious
Stick close to me
I only love you
Tell me, hello

Hello hello hello hello hello
Hello hello hello hello
Tell me, Hello

From everyday calls
To small gifts at times
All of you
Makes me smile

Everyone is jealous of me
Even when they make fun of me
I'm embarrassed but
I don't hate it

Your eyes, your face
Your scent, the way you talk
It's all so lovable
You make me smile

Just being
With you, romance
I've fallen for you
I like you more and more
Stay by my side
I only love you
Tell me, Hello

Hello hello hello hello hello
Hello hello hello hello

Whenever I see you, I smile
Is this love?
Do you feel the same way?
On and on and on

Whenever I see you, I wanna hug you
(I wanna hug you)
Is this love?
(Is it love?)
Do you feel the same way?
On and on and on yeah

Just being
With you, romance
Makes my heart burst
Each second is too precious
Stick close to me

I only love you
Tell me, hello

Hello hello hello
Hello hello (Hello)
Hello hello hello hello
(Tell me, Hello)

Hello hello hello hello hello
Hello hello hello hello
(Baby you got me)

Hello hello hello
Hello hello (Hello)
Hello hello hello hello (ah)
I love you forever
Tell me, hello
