You came to me
You looked at me again
With your eyes
You cast a spell on me
I'm falling deeper
Into your magic
My whole body is frozen
I can't even breathe

You're the only thing that I want
You took
All of me
I can't escape from you
It's like dreaming
A sweet dream
Yeah yeah

I'm looking for you again

I've fallen for your magic
That makes me think of you
I'm falling for you
Come closer to me
Melt me with your magic, baby

Magic Magic
Secretly come to me, baby
Magic Magic
Give me a magical love, baby

Oh I can't help it
Oh you already know
Save me save me save me
Come to me
Save me, this is your magic

Without anyone knowing
I'll tell you
Only to you
Only to you
I'll give you all my love

No matter what anyone says
I'll be by your side
Even if everything changes, I don't care
I don't care I don't care
I promise you, baby

Magic Magic
Secretly come to me, baby
Magic Magic
Give me a magical love, baby

Oh I can't help it
Oh you already know
Save me save me save me
Come to me
Save me, this is your magic

I wanna stop time
Like this, forever
Into your magic
I'm into you

Magic Magic
Secretly come to me, baby
Magic Magic
Give me a magical love, baby

So bad bad bad bad boy
You give it to me
Bad boy, fill me up with love
I only love you, I'm in love
Don't stop, you're my magic

The only Magic
A miraculous Magic
