

# Broken

Seori

Beautiful in your eyes  
Within your words and pretty heart  
Is this love, or just my shadow?  
How is it to live a life  
That everyone wants to be like you?  
In the street, in the car  
In front of a mirror, in this place  
Without you, neon eodiedeun nae sale pieona  
Gasiro nal jjireune

People fall in love and move on  
I'm still here stuck on my own  
Why I'm here inside, nado neocheoreom  
Binnal su isseulkka?

Something's broken inside of me  
Although you did nothing to me  
I've got hurt so hard by  
Look at you and me on the screen  
No one can set me free

Ooh, oh  
Ooh-oooh, ooh-oooh

You've always got the answers  
Ssodajineun jilmungwa gwansimsoge  
But I'm just quietly  
Used to silence

People fall in love and move on  
I'm still here stuck in my  
"No matter how I try, I'll never be like you"  
Cut me deep and echo like my heartbeats

Something's broken inside of me  
Although you did nothing to me  
I've got hurt so hard by  
Look at you and me on the screen  
No one can set me free

Ooh, oh, ooh-oooh, ooh-oooh  
Ooh-oooh, ooh  
Ooh-oooh

Yeah, something, something's broken inside of me  
Although you did nothing to me  
I burn and crash myself why  
Oh-oh-oh  
No one can hurt you  
Shine brightest when you are you  
You surely deserve it  
Don't let self-doubt make you forfeit (I cry, cry, I)  
No I don't want anyone to know  
About my misery  
I just sink quietly
