

# Kill The Day

Seori

Hey, have you seen my day?  
Achimen isseonneunde  
Nun kkamjjakal saie bami chajawa

Na gojangnan geot gata  
Meorineun meomchwonneunde  
Seukeuroreun ajikdo meomchuji mothae

Why am I like this?  
Why am I still stuck in my bed?

Hey you  
Wasted boy  
You just go play the guitar  
Oneulman dallyeo  
Geu nugudo jamdeulji mothage

Hey you malliji ma  
Hey you malliji ma  
I sigan mankeumeun  
Let's just kill the day

Wait, you know who killed my day?  
119e singohae  
Sali mangmakae  
Sumdo mot swigesseo

Can't even find their bodies  
Everyday's a crime scene  
The dagger is laziness  
I'm going crazy

Why am I like this?  
Why am I still stuck in my bed?

Hey you  
Wasted boy  
You just go play the guitar  
Oneulman dallyeo
