

Candy Kisses

September

Give me your candy kisses
Hold me and show me this is
What you've been for a long, long time
Give me your candy kisses
Hug me and say you missed me
Tell me the sweetest words of love you'll find

Hold me my honey bunny
You make my life so sunny
Da da di dum dum, da di dum
Sugar and caramel
Sweeter than you can tell
Da da di dum dum, da di dum

Just like a kid in a candy store
That's how I feel when I see you
All of my heart cries for more and more
You know how badly I need you

My appetite for you is so strong
No reason to deny it
It just goes on and on
You make me so excited

Give me your candy kisses
Hold me and show me this is
What you've been for a long, long time
Give me your candy kisses
Hug me and say you missed me
Tell me the sweetest words of love you'll find

Hold me my honey bunny
You make my life so sunny
Da da di dum dum, da di dum
Sugar and caramel
Sweeter than you can tell
Da da di dum dum, da di dum

Just one bite of a chocolate bar
Will make me think about you
You have won my marmalade heart
And I can't live without you

You are my lollipop dreamboy
You are my favorite fudge
Don't let it ever stop
My little soda pop

Give me your candy kisses
Hold me and show me this is
What you've been for a long, long time
Give me your candy kisses
Hug me and say you missed me
Tell me the sweetest words of love you'll find

Hold me my honey bunny
You make my life so sunny

Da da di dum dum, da di dum
Sugar and caramel
Sweeter than you can tell
Da da di dum dum, da di dum

No matter what it is
The sweetness of your kiss
Will never ever fade away

Give me your candy kisses
Hold me and show me this is
What you've been for a long, long time
Give me your candy kisses
Hug me and say you missed me
Tell me the sweetest words of love you'll find

Hold me my honey bunny
You make my life so sunny
Da da di dum dum, da di dum
Sugar and caramel
Sweeter than you can tell
Da da di dum dum, da di dum
