

The Experiment

Septicflesh

A rat utopia
Where everyone is safe
We study behavior
From subjects small and frail

Their food is being provided
Same ratio every day
No worries
No threats
And so our rats will procreate

They increase day by day
Behavioral sink in display
Societal collapse
No place for more rats!

We try to understand
Why parents eat their young
Utopia
Dystopia
We must repeat the experiment
The experiment

We try to understand
Why parents eat their young
Utopia
Dystopia
We must repeat the experiment
The experiment

We try to understand
Why parents eat their young
Utopia
Dystopia
