Septicflesh

Ride to the land of secrets
Find all the traces left behind...
With sword in hand the Covenant
A cross baptised in blood... the nectar of the Gods
Might!

Destroy all the traces left behind
With sword in hand the Covenant
A cross baptised in blood

The Vampire from Nazareth

"For blood, is Life"

The Vampire from Nazareth

The Templars march
Waves of arms
"We offer the Sun!"
The wolf is wearing the pelt of the lamb

"We offer the Sun
With thorns his crown
We offer a son"

Ravens on the top... as angels fly

"We offer the Sun
With thorns his crown
We offer a son

"We offer the Sun"
