Drowned Out

Sepultura

He just takes what's his Can never see an end Build a wall of selfishness To block out all your fears

I can't forget, I won't forget I can't forget, I won't forget You don't owe me shit

Never any remorse, never any remorse Always turning your back Drowned out, drowned out

There's no compromise Only hate inside I decided long ago I would never be so blind

I can't forget, I won't forget I can't forget, I won't forget

Never any remorse, never any remorse Always turning your back Drowned out, drowned out

Feel no shame Show no shame You don't owe me shit!
