

## Warriors of Death

Sepultura

Marching over the mist  
Leaving behind the wheack's  
Going this endless war  
Like a tormenting nightmare

Over the devastated ruins  
I raised a sign  
The sign of hate  
For a masses despair

To revenged the years  
Arrested in abyss  
Where Jesus Christ  
Made his suffer

But the final command  
Is happening here now  
Which I see is the ruins  
And warriors marching to death
