

Dirty Kiss

Serebro

We're not gonna stop
'Till the end of the night
Wanna taste my kiss.. like this
We're not gonna stop
'Till the end of the night
Wanna taste my kiss.. Dirty Kiss

Can't stop... Can't stop
Can't stop...

I'm one of those little freakin'
Trouble makers
Again the love has got me up until tomorrow, i guess
Until tomorrow guess
And say

I'm shockin' shockin'!
Yeah!
I'm shockin' shockin'

I'm the one who's gonna
Make your body movin' tonight
So watch my body.
Watch me rockin' from the
Left to the right.
And say
I'm shockin' shockin'
Ow! I'm shockin' shockin'

Pump the bass line up into my mind
Hell Let me Rock you

Can't stop you better follow me
And you just can't stop. We're rocking to the beat
And you just can't stop. You better follow me
And you just can't stop..can't stop
Mwah mwah mwah my dirty kiss

Can't stop you better follow me
And you just can't stop. We're rocking to the beat
And you just can't stop. You better follow me
And you just can't stop..can't stop
Mwah mwah mwah my dirty kiss

Do you like it when I do it
I'm out of control
'Cuz you just got
Me so excited
And it's my rock and roll
You say I'm shockin' shockin'
Yeah! I'm shockin' shockin'

Come and take this party high
And ever take it too low
And if you're ready for the night
To keep enjoying the show
You say I'm shockin' shockin'

Yeah! I'm shockin' shockin'

From the base line up into my mind
Hell Let me Rock you

You can't stop you better follow me
And you just can't stop. We're rocking to the beat
And you just can't stop. You better follow me
And you just can't stop..can't stop
Mwah mwah mwah my dirty kiss

You can't stop you better follow me
And you just can't stop. We're rocking to the beat
And you just can't stop. You better follow me
And you just can't stop..can't stop
Mwah mwah mwah my dirty kiss
