Good Days

Serena Ryder

Good day in my mind
Safe to take a step out
Get some air now
Let your edge out
Too soon, I spoke
You be heavy in my mind
Can you get the heck out?
I need rest now
Got me bummed out

You so, you so, you
Baby, baby, babe
I've been on my empty mind shit
I try to keep from losin'
The rest of me
I worry that I wasted
The best of me on you, baby
You don't care
Said, "Not tryna be a nuisance
It's just urgent"
Tryna make sense of loose change
Got me a war in my mind
Gotta let go of weight
Can't keep what's holding me
Choose to watch
While the world break up
And fall on me
All the while, I'll await
My armored fate with a smile
Still wanna try
Still believe in good days
Good days
Always inside
 (Always in my mind
Always in my mind, mind)
Good day living in my mind

Tell me about my fears
My limitations
I'll disappear, if you let me
Feeling like, yeah (On your own)
Feeling like Jericho
Feeling like Job
When he lost his shit
Gotta hold my own
My cross to bear alone, I
Ooh, paid a deal
Way to kill the mood
Know you like
That shit getting good with it

Baby, baby
Heavy on my empty mind shit
I gotta keep from losin'
The rest of me (Rest of me)
Still worry that I wasted
The best of me on you, baby

You don't care
Said, "Not tryna be a nuisance
It's just urgent" (It's urgent)
Tryna make sense of loose change
Got me a war in my mind
(My mind)
Gotta let go of weight
Can't keep what's holding me
Choose to watch
While the world break up
And fall on me
All the while, I'll await
My armored fate with a smile
Still wanna try
Still believe in good days
Good days
Always sunny inside
(Always in my mind
Always in my mind, mind)
Good day living in my mind

Gotta get right
Tryna free my mind
Before the end of the world
I don't miss no ex
I don't miss no text
I just choose not to respond
I don't regret, just pretend
Shit never happened
Half of us layin' waste
And our youth is in the present
Half of us chasin' fountains of
Youth and it's in the present

Always in my mind
Always in my mind, mind
You've been making me
Feel like I'm
Always in my mind
Always in my mind, mind
