Serena Ryder

You are my thrill, my savior
My partner in crime
I couldn't feel the danger till I was standing in line
With the weight of the world, we go down with a smile
Can you please hold me closer?
I feel like a child
In the break of a wave, you can take me away
I forget all the pain for awhile

You are my rollercoaster
The ride of my life
You take me up and over
I fall every time
You're never gonna change but you're one of a kind
You are my rollercoaster
The ride of, the light of my life

You are the wave, the water
The wind in the trees
You are a careless lover, too careful to leave
And tough I'm aware I am letting it be
We could go on forever, awake in the dream
In the break of a wave you can take me away
I forget all the pain for awhile

You are my rollercoaster
The ride of my life
You take me up and over
I fall every time
You're never gonna change but you're one of a kind
You are my rollercoaster
The ride of, the light of my life

It'll be gone in any moment, no
It'll be gone in any moment, oh
It'll be gone at any moment, no

You are my rollercoaster
The ride of my life
You take me up and over
I fall every time

You're never gonna change, but you're one of a kind
You are my rollercoaster
The ride of, the light of my life
The ride of, the ride of my life
(The ride of, the ride of my life)
