

# Curiosity

Sergey Lazarev (Сергей Лазарев)

Are you looking for love?  
Don't want romance now?  
From the moment I knew, walked over to you better think again  
That we gotta be honest  
Put up my hands now  
I don't understand how you got me wrapped around your finger

I don't know your name I don't know if you're here alone  
(Wanna get to know you baby)  
Been playing on my mind far too long,  
Say  
Gotta give me what I need

They say you're dangerous  
But I don't care 'cause I've  
Been taken over by this curiosity  
You got me serious  
And I can't help myself  
Been taken over by this curiosity

You're not looking for love  
No one to tie you down  
If you wanted to go somewhere you don't know  
Just walk away  
I've fallen for you  
And I'm breaking all the rules  
Cause there's something about you I can't explain

I don't wanna hear what anybody's got to say  
(Just want to get to know you baby)  
I know that it's wrong for me to feel this way  
Say  
Gotta give me what I need

They say you're dangerous  
But I don't care 'cause I've  
Been taken over by this curiosity  
You got me serious  
And I can't help myself  
Been taken over by this curiosity

Tell me what's going on  
As far as I can see  
Is that I'm so into you  
But you're not into me  
Baby what can I do  
It's such a mystery  
All that I know  
Is what you got is what I need

They say you're dangerous  
But I don't care 'cause I've  
Been taken over by this curiosity  
You got me serious  
And I can't help myself  
Been taken over by this curiosity

They say you're dangerous  
But I don't care 'cause I've  
Been taken over by this curiosity  
You got me serious  
And I can't help myself  
Been taken over by this curiosity
