

## Electric Touch

Sergey Lazarev (Сергей Лазарев)

She's automatic, ecstatic, I think I'm in control  
She's erotic, exotic, pretentious, lethal  
When I feel she's close and walking up to me  
I can't ignore the sexual possibilities

Every time she touch me, I go crazy  
Positive energy, the chemistry's amazing  
Shocks run through me, my heart starts racing  
This girl, she's got a, she's got an electric touch

Electric touch (Aye) hurts so good  
I can't get enough of her  
Electric touch (Aye) hurts so good  
I can't get enough of her electric touch

I gotta feeling this evening is gonna change our lives (Uh-oh)  
She's the reason I'm fiendin' to touch her all night (Uh-oh)  
When I sense her presence, it's amazing  
I leave the world and enter sexual ecstasy

Every time she touch me, I go crazy  
Positive energy, the chemistry's amazing  
Shock's gone through me, my heart starts racing  
This girl, she's gotta, she's got an electric touch

Electric touch (Aye) hurts so good  
I can't get enough of her  
Electric touch (Aye) hurts so good  
I can't get enough of her electric touch

Every time she touch me, I go crazy  
Positive energy, the chemistry's amazing  
Shock's gone through me, my heart starts racing  
This girl, she's gotta, she's got an electric touch

Electric touch (Aye) hurts so good  
I can't get enough of her  
Electric touch (Aye) hurts so good  
I can't get enough of electric touch
