

# Fake

Sergey Lazarev (Сергей Лазарев)

Now take your hand, I'm slipping  
Into my hand, let's kick it  
Just pull it down, unzip it  
(I touch myself)

Forget the buttons, rip it  
Take a gulp and don't sip it  
You found the pot, now tip it

Shut up, baby, don't be fake  
I know what you want  
Boy, I know it's getting late  
I don't know what's come over me

For God's sake  
Treat you like a bad girl  
Best you've ever had  
It's more than I can take  
So shut up, baby, don't be fake

Now close your mouth and listen  
I got no inhibition  
Just tell me what position  
(You touch yourself)

Ain't no need to audition  
You're through without condition  
Let's make it fact, not fiction

Shut up, baby, don't be fake  
I know what you want  
Boy, I know it's getting late  
I don't know what's come over me

For God's sake  
Treat you like a bad girl  
Best you've ever had  
It's more than I can take  
So shut up, baby, don't be fake

(Shut up) Treat you like a bad girl  
Best you've ever had  
(Shut up now) It's more than I can take  
Shut up, baby, don't you be fake  
Shut up, baby, don't be fake

Boy, I know it's getting late  
I don't know what's come over me  
For God's sake

Best you've ever had  
It's more than I can take (Shut up, shut up now)

Shut up, baby, don't be fake  
I know what you want  
Boy, I know it's getting late  
I don't know what's come over me

For God's sake  
Treat you like a bad girl  
Best you've ever had  
It's more than I can take  
So shut up, baby, don't be fake

(Now take your hand, I'm slipping)  
I know what you want  
(Into my hand, let's kick it)

Boy, I know it's getting late  
(Just pull it down, unzip it)  
I don't know what's come over me

For God's sake  
(Forget the buttons, rip it)  
Treat you like a bad girl  
(Take a gulp and don't sip it)

Best you've ever had  
(You found the pot, now tip it)  
It's more than I can take  
So shut up, baby, don't be fake
