

# Take It Off

Sergey Lazarev (Сергей Лазарев)

Whoa, whoa, whoa  
Whoa, whoa, whoa

Girl, you got me  
I wanna take my time on you  
Yeah  
Let's make it worth it  
I wanna stay right close to you  
Yeah

No, I can't promise forever  
All I can give you is now  
I wanna see you  
Under the lights tonight, tonight, tonight

I wanna see you tonight  
And undress you, undress you  
Girl, with my eyes  
Show me your secrets and I  
Will take all your clothes off  
One piece at a time (Girl)

Take it off  
Take it off  
Take it off (One piece at a time)  
Take it off  
Take it off  
Take it off (One piece at a time)  
Take it off  
Take it off  
Take it off (One piece at a time)  
Take it off  
Take it off  
Take it off (One piece at a time)

Let's seize the moment  
I wanna put my all in you  
Yeah  
I know you want it  
Gonna make you scream for more  
Yeah

No, I can't promise forever  
All I can give you is now  
I wanna see you  
Under the lights tonight, tonight, tonight

I wanna see you tonight  
And undress you, undress you  
Girl, with my eyes  
Show me your secrets and I  
Will take all your clothes off  
One piece at a time (Girl)

Take it off  
Take it off  
Take it off (One piece at a time)

Take it off  
Take it off  
Take it off (One piece at a time)  
Take it off  
Take it off  
Take it off (One piece at a time)  
Take it off  
Take it off  
Take it off

Tell me  
Tell me, where to put all my love (Where to put all my love)  
Yeah  
Baby, tell me  
Where to land when I start taking off?  
Take it off

Whoa, whoa, whoa  
Whoa, whoa, whoa

I wanna see you tonight  
And undress you, undress you  
Girl with my eyes (Girl with my eyes)  
Show me your secrets and I  
Will take all your clothes off  
One piece at a time (Girl)

Take it off  
Take it off  
Take it off (One piece at a time)  
Take it off  
Take it off  
Take it off (One piece at a time)  
Take it off  
Take it off  
Take it off (One piece at a time)  
Take it off
