

TV or Radio

Sergey Lazarev (Сергей Лазарев)

Life is like a TV show
You watch me
Anything you like to know
About me
Come on over, say hello
I need a ride

Everybody's looking for
Attraction
Not afraid to pay the price
For action
Never mind just throw the dice
Forget your pride

Anything to make it
You wanna be not to proud to fake it
Said you wanna be
Fly and hard to shake it
Never gonna believe

Gotta have the right design
To sell me
Oops, I think I lost my line
So fill me
I'm a walkin' neon sign
You turn me on

Everybody plays a game
Confusion
Never mind it's all the same
Illusion
Lookin' for the one's to blame
Before it's gone

Anything to taste it
You wanna be not to proud to waste it
Said you wanna be
Once you have replaced it
Never gonna believe
