

# Masquerade

Sérgio Mendes

Are we really happy  
With this lonely game we play  
Looking for right words to say  
Searching but not finding  
Understanding anyway  
We're lost in this masquerade

Both afraid to say we're just too far away  
From being close together from the start  
We tried to talk it over but the words got in the way  
We're lost inside this lonely game we play

Thoughts of leaving disappear  
Each time I see your eyes  
And no matter how hard I try  
To understand the reasons  
Why we carry on this way  
We're lost in this masquerade

We tried to talk it over but the words got in the way  
We're lost inside this lonely game we play

Thoughts of leaving disappear  
Each time I see your eyes  
And no matter how hard I try  
To understand the reasons  
Why we carry on this way  
We're lost in this masquerade
