

Sarara

Sérgio Mendes

Sara, sara, sara, sarara
Sara, sara, sara, sarara, sarara
Sara, sara, sara, sarara, sarara miolo
Sara, sara, sara, sarara, sarara miolo
Sara, sara, sara, sarara, sarara
Sara, sara, sara, sarara, sarara miolo

Sara, sara, sara cura
Bring me the sunlight
Sara, sara, sara cura
Bring me a piece of the moonlight
Dance with the beat of the streetlife
Tropical birds of a feather
Lost in the spell of the warm night
Make this moment last forever

Sara, sara, sara, sarara
Sara, sara, sara, sarara, sarara
Sara, sara, sara, sarara, sarara miolo
Sara, sara, sara, sarara, sarara miolo

Sara, sara, sara cura
Bring me the sunlight
Sara, sara, sara cura
Bring me a piece of the moonlight
Dance with the beat of the streetlife
Tropical birds of a feather
Lost in the spell of the warm night
Make this moment last forever

Sara, sara, sara, sarara, sarara miolo
Sara, sara, sara, sarara, sarara

Sara, sara, sara, sarara, sarara miolo
Sara, sara, sara, sarara, sarara
