

# Timeless

Sérgio Mendes

Kindness is timeless  
Love is so easy to give  
It just takes a moment  
To show somebody that you care  
To show somebody that you care

In the world that we live in  
Everybody wants to be so cruel  
To be in the in-crowd  
Got the hottest clothes, the hottest shoes  
We're reading the tabloids  
And we're flossing in the club  
But the freshest thing you can do is  
Give someone your love

Kindness is timeless  
Love is so easy to give  
It just takes a moment  
To show somebody you care

Kindness is timeless  
Love is so easy to give  
It just takes a moment to...

Give someone your love  
To give someone your lalala love  
To give someone your love  
Give someone your love  
Your lalalala love  
Give someone your lalala love

The clothes that your wearing  
It will one day be out of style  
The car that your driving  
One day will vax out in miles  
Your hair and your makeup  
And the time that it takes up  
It will take the same care of  
Ya give someone ya love

Kindness is timeless  
Love is so easy to give  
It just takes a moment  
To show somebody you care

Kindness is timeless  
Love is so easy to give  
It just takes a moment to...

To give someone your love  
To give someone your lalala love  
To give someone your love  
Give someone your love  
Your lalalala love  
Give someone your lalala love

Give someone you love

'Cause kindness is timeless
