

# What Do We Mean To Each Other

Sérgio Mendes

I'd rather know if you had turned the page  
If you go faster than I do  
Suddenly it's not so clear  
Just what I am to you  
Am I friend?  
Am I lover?  
Do we still need each other  
When you touch me  
When you touch me  
Baby, I can tell

What do we mean to each other?  
Am I friend?  
Am I lover?  
Is it over now?  
If this is it, then why bother?  
Tell me where do we take it from here  
What do we mean to each other?  
Am I friend?  
Am I lover?  
Is it over now?  
Do you love me still
