

With A Little Help From My Friends

Sérgio Mendes

What would you think if I sang out a tune
Would you stand up and walk out on me
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

I get by with a little help from my friends
I get high with a little help from my friends
Yeah, gonna try with a little help from my friends

What do I do when my love is away
Does it worry you to be alone
But how do I feel by the end of the day
Are you sad because you're on your own

No, I get by with a little help from my friends
I get high with a little help from my friends
Yeah gonna try with a little help from my friends

Do you need anybody
I just need someone to love
Could it be anybody
I want somebody to love

Would you believe at a love at first sight
Yes, I'm certain that it happens all the time
What do you see when you turn of the light
I can't tell you but I know that it's mine

Oh, I get by with a little help from my friends
I get high with a little help from my friends
Gonna try with a little help from my friends

Do you need anybody
I just need someone to love
Could it be anybody
I want somebody to love

Oh, I get by with a little help from my friends
I'm gonna try with a little help from my friends
Oh I get high with a little help from my friends
Yes I can't buy a little help from my friends

With a little help from my friends
