

Falling Deeper

Serhat Durmus

Physically shot
Emotionally hit
Ready, aim
You get the party lit
I'm shaken to the core
My defenses are shit
Under siege
I'm marching to your beat

Physically shot
Emotionally hit
Ready, aim
You get the party lit
I'm shaken to the core
My defenses are shit
Under siege
I'm marching to your beat

You're staring at me, so damn piercing
Got under my skin like a tattoo
Lets keep going till hell's freezing
To get to heaven just take these two

Rolling on you
I'm falling deeper for you
Callin on you
I'm going under for you
Rolling on you
Im falling deeper for you
Callin on you yeah

Physically shot
Emotionally hit
Ready, aim
You get the party lit
I'm shaken to the core
My defences are shit
Under siege
I'm marching to your beat
