

Lies

Serhat Durmus

Time
Lies better in the dark
Do you really wanna fall apart?
I feel like I'm falling in reverse
Each time
You know I tried to leave last time
But all you ever told was lies
I can't face the demons on my own

Time
Lies better in the dark
Do you really wanna fall apart?
I feel like I'm falling in reverse
Each time
You know I tried to leave last time
But all you ever told was lies
I can't face the demons on my own
