

# Midnights

Serhat Durmus

I could say, you left me with no trust  
'Cause you know, we've been through so much stuff  
But now, I pick myself up (I pick myself up)  
Give myself what I need  
Try to forget all the places that you've fallen for me (hmm)

But now  
I say that I'm strong enough to leave  
Leave and forget your touch  
Forget your love and move on (move on)  
When I'm still hurt  
But I'll still love you more  
Until we meet again

Until we meet again

We're fallin' deep  
Nothing like we've seen around (around)  
'Cause our love was the only one  
But it changed (changed)

We've moved on (on) in two seperate ways  
(Two seperate ways)  
Now, it seems too late to say sorry for anything (huh)

(Aa-ah, ah, ah)  
(Aa-ah, ah, ah)  
(Aa-ah, ah, ah)  
Until we meet again  
(Aa-ah, ah, ah)  
(Aa-ah, ah, ah)  
(Aa-ah, ah, ah)  
Until we meet again

Until we meet again

(Aa-ah, ah, ah)  
(Aa-ah, ah, ah)  
(Aa-ah, ah, ah)  
Until we meet again  
(Aa-ah, ah, ah)  
(Aa-ah, ah, ah)  
(Aa-ah, ah, ah)  
Until we meet again
