

# Mirrorworld

Serious Black

Can you tell me  
The way this world disappoints you  
And I will show you  
The scenes behind that wall  
And is the fabric they weave for you  
Much too frail  
Or way too dark?  
Let me show you there's more  
Oh, there's more

Is this all there is?  
Have we made the grand last stand?  
No more boundaries  
No uncharted lands to explore  
Has this journey  
This grand transition  
Made hollow what was whole?  
Let me show you the door  
Oh, there's more

Don't let go!  
Don't let go!  
I said don't let go  
Don't let go!  
Now let go!

Lost in a mirrorworld  
That's all we ever were  
Lost in a mirrorworld  
Can't find the door  
Let me out!  
Lost in a mirrorworld  
Don't leave me here  
Get me out!  
Hear my final words  
Lost in a mirrorworld

You let go  
I let go  
You let go  
Any second now  
I let go  
You let go  
We let go  
Now let go!
