

Shields Of Glory

Serious Black

Step back, enjoy the ride
Don't you be the one thinking twice
Snake skins dressed in suit and tie
Slaying endless hordes with their eyes

Out of damnation, where we belong
Our endless vision
Permitted, no doubt, that this might be wrong
It's our god given mission

Fighting forever
This story is all that we got
Under the shields of glory
You shall serve and wait for the shot
Wait for the

No matter what you feel
It won't reach our conscience at all
Chew on what we provide
Go and run straight into the wall

Out of damnation, where we belong
Our endless vision
Permitted, no doubt, that this might be wrong
It's our god given mission

Fighting forever
This story is all that we got
Under the shields of glory
You shall serve and wait for the shot
Wait for the
Shot

Fighting forever
This story's all that we got
Under the shields of glory
Bring your sacrifice spilling blood in the night
Standing together
This hell is all that we got
Under the shields of glory
You shall serve and wait for the shot
Wait for the
