

# When I'm Gone

Serious Black

When time will come  
Just run to me  
My fails I regret  
Can't you see  
My love at the first sight  
My heart, my precious one  
Treasured in my dreams forever

High above I'll be watching over you  
Forever in my heart

Heaven  
High above and in your dreams  
In heaven  
You can reach out for me

I'm wise and old  
So much things I've told  
The path of life  
One day it's up to you  
When I'm gone you're the one  
I'm watching from above

And never forget the adventures of you and me  
I'll be watching you eternally

Heaven  
High above and in your dreams  
In heaven  
You can reach out for me  
In heaven  
High above and in your dreams  
In heaven  
You can reach out for me

In heaven

In heaven  
High above and in your dreams  
In heaven  
You can reach out for me  
In heaven  
Forever in your life and dreams  
In heaven  
You can reach out for me

When I'm gone  
You can reach out for me
