How fine is he, tell us, tell us, how fine is he?
How fine is he on a scale of one to ten?
One to ten, one to ten

I see you've been wearing loafers
Talking about another niggas' over
Ooh-ooh, ooh-ooh, I'm so proud
Look at you trying to settle down
Tossed your blankets, scattered duvet
Oh, you're bougie now, can I meet your baby?
Can I meet your baby?

How fine is he on a scale of one to ten?
How fine is he? Oh
How fine is he? Oh
How fine is he? Oh (On a scale of one to ten?)
One to ten
One to ten

V-neck on, look at your neck, deep in your feelings
I see you sprung by this man, glad you found you a real one
Nobody trying to be alone forever, turn out the sun, my boo
It's good in any kind of weather, oh, hoo, hoo

How fine is he on a scale of one to ten?
How fine is he? Oh
How fine is he? Oh
How fine is he? Oh (On a scale of one to ten?)
One to ten, one to ten

One to ten, one to ten
