

Down Nuh River

serpentwithfeet

Ain't nobody tryna steal your corner store shoes
I'm tryin' to get a boo, oh

Might wanna take your picture
Baby can I get with ya?
Tell all your neighbours I'ma fisher
Tell your brother that I kissed ya
Might wanna take your picture
Baby can I get with ya?
Tell all your neighbours I'ma fisher
Tell your brother that I kissed ya

Ooh, ooh, hell nah, hell nah
Ooh, ooh, hell nah, hell nah
(What you think you doin'?) Ooh, hell nah, hell nah
Where you fallin' at? Hell nah, hell nah

(Go-go-go-go) Go swimmin' down nuh river now
Ooh, you tryna get me in trouble now
(Go-go-go-go) Go swimmin' down nuh river now
Ooh, you tryna get me in trouble
(Go-go-go-go) Go swimmin' down nuh river now
Ooh, you tryna get me in trouble now
(Go-go-go-go) Go swimmin' down nuh river now
Ooh, you tryna get me in trouble

Swim d-d-deep this part
That's where all the wishes are
Maybe-maybe you can bring me back
When za-za-za-uh, za-za-za-ah, uh
Swim d-d-deep this part
That's where all the wishes are
Maybe-maybe you can bring me back
When za-za-za-uh, za-za-za-ah, uh

(Go-go-go-go) Go swimmin' down nuh river now
Ooh, you tryna get me in trouble now
(Go-go-go-go) Go swimmin' down nuh river now
Ooh, you tryna get me in trouble
