

I got something to share with you, oh
Memories still fade [?] moment with you
I keep calling your phone
When there's nothing to [?]
Now that we're [?] twenty something
Gotta cherish every moment when I can anymore (Anymore)
Anymore (Anymore)

My friends, my friends
I'm thankful for the love I share with my friends (My friends)
My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends (My friends)

Fellow, la-la-la, la-la
Fellow, la-la-la, la-la
Fellow, la-la-la, la-la
Fellow, la-la-la, la-la
And I'm so thankful for

Our breezy Sunday afternoons
Christmas films in July with you
The canon of Baltimore tales
Our crafty looks when there's nothing to wear
Maybe it's the blessing of my thirties
I'm spending less time worrying and more time recounting the love
More time recounting the love

Gratitude, truly grateful for you
The warmest smile when you meet me (Meet me)
Kindest words when you greet me (Greet me)
I hope you know life is so much sweeter with you
Don't you ever forget [?]
I'll always be right here with you

My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends
My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends

My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends
My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends
My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends
My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends
My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends
My friends (My friends), my friends (My friends)
I'm thankful for the love I share with my friends, my f-
