

Safe Word

serpentwithfeet

A penny saved might be a penny earned
But if you save that freaky shit for later, you'll never learn
A penny saved is a penny earned
But save that freaky shit for later and you'll never learn

Oh, the safe word, the safe word is me, the safe word is me
Oh, the safe place, the safe place is me, the safe place is me
Ooh-oooh
Oh, the safe word, the safe word is me, the safe word is me
Oh, the safe place, the safe place is me, the safe place is me

I'm your shelter
I'm your shelter
I'm your shelter
I'm your shelter

Choke me now, fuck me now
Upload that dick into the cloud (Ooh)
I'm insatiable, make it conversational
Oh, I heard it's gonna rain cats and dogs
Oh, by the way, my nigga's carryin' a log

Oh, the safe word, the safe word is me, the safe word is me
Oh, the safe place, the safe place is me, the safe place is me
Ooh-oooh
Oh, the safe word, the safe word is me, the safe word is me
Oh, the safe place, the safe place is me, the safe place is me

I'm your shelter
I'm your shelter
I'm your shelter
I'm your shelter
Ooh-oooh
