

Shoot Ya Shot

serpentwithfeet

We both had a long day
Come home with your filthiest behaviour
Kiss me so deep, you put words in my mouth, baby
Find me at defeat, not at your feet
I want to see what I'm [?]
I'ma wait beneath despite [?]
Shooting stars at stars, love
But boy shoot your shot on

(Me...)
Shoot your shot on
(Me...)
Ooh, ooh, ooh

We both had a crazy day
Come home with them savoury behaviour
Kiss me so deep, your wishes become mine, baby
Find me at defeat, not at your feet
I want to see what I'm [?]
I will wait beneath despite [?]
Shooting stars at stars now
But you can shoot your shot on

(Me...)
Shoot it on
(Me...)
Boy, shoot your shot on me (Yeah)
(Me...)
C'mon...
(Me...)
Please, please

Ooh, ooh, ooh
Oh, please...
Ooh, ooh, ooh
