

Who's Gonna End

Sertab Erener

Who's gonna end the poverty?
Who's gonna feed the hungry?
Who's gonna be gender-free?
Who's gonna make the food healthy?

Who's gonna teach us to read?
Who's gonna keep water clean?
Who's gonna make the future clean?
Who's gonna keep energy green?

Who's gonna end the climate crisis?
Who's gonna care for life in oceans?
We gotta grow in justice and peace!
We gotta grow in justice and peace!

Who's gonna keep our soil alive?
Who's gonna give us decent jobs?
Who's gonna end inequality?
Who's gonna build sustainably?

It's not just you
It's not just me
It's all of us
Why can't we see?
It's not just you
It's not just me
It's all of us
Who long to be free

It's not just you
It's not just me
It's all of us
Why can't we see?
